

SECOND INJURY SCHEME

Presented by Worker Assist Tasmania as part of WorkSafe Month:

A seminar to explore the concept of a 'second injury scheme' to encourage employer's, through incentives, to employ injured workers; and how this could be practically implemented in Tasmania. It is aimed at all stakeholders in the workers compensation scheme.

The seminar will involve a panel of experts in the Tasmanian workers compensation scheme and significant input from the audience will be encouraged to identify a model/models which have the best chance of success in the Tasmanian scheme.

Panel includes:

Steve Carey – Chief Commissioner WRCT

Phil Dening – GIO

Jennie Cox – The Human Dimension Consultancy

Dr Rob Walters – Bayview Medical Centre

Michael Bailey – TCCI

Steve Walsh – Unions Tasmania
